DEVINE @ HOWEST · OPEN TO INTERNSHIPS

Tjorven Florin.

Visual designer & *creative coder*

florintjorven@gmail.com
+32 493 84 97 39
Harelbeke, Belgium
ftjorven.github.io/portfolio

Digital Design & Development student, somewhere right between a developer and a designer. I like taking an idea all the way, from a rough sketch to a design in Figma to a working build that feels good to use. Code is where I feel most at home, but I care just as much about *typography*, *colour and layout*.

01 SELECTED PROJECTS

Myst for Visit Antwerp — 2026
Fashion discovery app and projection-mapped installation. I built the app, Supabase back-end and an iPad kiosk that drives the projection over OSC.
React Native · Supabase · OSC · MadMapper

Designing Without a Name for MoMu — 2026 · solo
Interactive long-read on Walter Van Beirendonck, from concept and visual language to every scroll animation.
Vite · GSAP · ScrollTrigger

The Soundcheck — 2026
Backstage browser experience with two self-trained sound models that listen while you play.
TensorFlow.js · Teachable Machine · GSAP

Miles & Meals — 2026
Brand identity, packaging and app design for a street food box.
Figma · Branding · UI design

02 EXPERIENCE

Music journalist — since 2025
Dansende Beren
Concert and festival reviews in Dutch, covering Pukkelpop, Rock Werchter, Rock Olmen and AFF Festival.

Volunteer — since 2024
Wilde Westen · De Kreun, Kortrijk
Helping out at concerts and events at the venue behind De Kreun, Sonic City and Festival Kortrijk.

03 EARLIER WORK

Reception & logistics De Branding, Kortrijk · seasonal — Jul 2024 to Jul 2026
Front desk and visitor questions, designing letters sent out across the whole network, supporting the logistics team and guiding other student workers.

Transcriber HOGENT, Ghent — Jun 2023 to Sep 2024
Transcribing research interviews for the Research Collective Equality project.

04 EDUCATION

Devine @ Howest
Digital Design & Development
Kortrijk · 2024 to now · year 3

Guldensporencollege
Secondary school, Handel
Kortrijk · until 2024

05 CODE

HTML & CSS · JavaScript · React · React Native · Node.js · PHP · GSAP · Three.js · Supabase · Git · Vite

06 DESIGN

Figma · Illustrator · Photoshop · InDesign · After Effects · Blender · Prototyping · User testing

07 LANGUAGES

Dutch	native
English	fluent
